SERVANTS' SIGN LANGUAGE.

Peculiarities of Employers and Tourists Noted by Marks.

Servants and hotel porters in many cities of Europe have a sign language as complete as that of the American tramp.

"It is not generally known," said a courier, "that servants are in the habit of giving useful tips to their successors and to the man who delivers the groceries and meat by marks on the back entrance. In most of the big Paris flats and apartments, such as Americans like to take for the season, the back door is literally covered with barely perceptible signs which nobody but the initiated can understand.

"A freshly engaged domestic knows exactly what to expect, whether his masters are easy or hard to please, whether it is 'monsieur' or 'madame' who is hard to get along with. Other signs tell whether the food is good or bad, whether the work is difficult or not, etc.

"The boy from the grocer's or the baker's or the butcher's will also be informed whether he can expect a big tip or not.

"The system is even more developed among hotel servants. A family arriving from Italy, after having refused to give what some Italian porter considered a sufficient tip, will have the fact advertised in every hotel he visits in Switzerland or France. A little mark on the trunk is all that is needed."—Philadelphia Ledger.

Heavy, impure blood makes a muddy, pimply complexion, headaches, nausea, indigestion. Thin blood makes you weak, pale, sickly. Burdock Blood Bitters makes the Blood rich, red, pure—restores perfect health.

Not Her Mind.

"Miss Ethel is a long time coming down," said the youth to the servant after waiting some time for the young lady's appearance. "Perhaps," he added, with a laugh—"perhaps she is making up her mind whether to see me or not."

"No," said the servant, with an icy smile; "it isn't her mind she is making up."—London Telegraph.

For a mild, easy action of the bowels, a single dose Doan's Regulets is enough. Treatment cures habitual constipation. 25 cents a box. Ask your druggist for them.

Got What He Asked For.

"Well," said the lawyer for the defense to his client, "I was certainly surprised at your conviction."

"I wasn't. It was all your fault."

"All my fault! I put up a magnificent fight for you!"

"Yes, an' you kep' yellin' at the jury that you demanded justice fer me till they went an' give it to me."—Houston Post.

Little Robbie is a faithful attendant in the "baby class" at Sunday school. One day, when the teacher called upon him to recite the Lord's Prayer, he started bravely, floundered, started again and finally gave up, saying, "Teacher, I can't say it, I'm so out of practice."

Pinesalve Carbolyzed acts like a poultice. Quick relief for bites and sting of insects, chapped skin, cuts, burns and sores, tan and sunburn. Sold by Anderson-Fowler Drug Co. Incorporated.

A Bad Sign

J-23

Irregularity is bad in every department of life, in meals, in sleeping hours, but especially when it is a question of womanly habit. Not only is it a sign of female disease, but, unless cured, it will cause dangerous troubles, because of the poisons thus allowed to remain in the system.

If you suffer in this way, get a bottle of

Wine of Cardui

Mrs. Lucinda Johnson, of Fish Creek, Wis., writes: "I suffered for fourteen (14) years with irregularity, causing great pain. At last I tried Cardui, and now I am cured." At all druggists, in \$1 bottles.

THE STATE UNIVERSITY

LEXINGTON, KENTUCKY.

The State University, Lexington, Kentucky, offers the following courses, namely, Agricultural, Mechanical Engineering, Civil Engineering, Electrical Engineering, Mining Engineering, Classical and seven Scientific courses each of which extends over four years and leads to a Bachelor's degree; also a department of Law and a Department of Education, which last has been established instead of the Normal School. Persons who enter this department prepare for advanced work in pedagogy and are granted a Bachelor's degree in this subject when completed. The Academy for preparatory instruction is retained.

County appointees receive free tuition, privilege of residence in the dormitories, fuel and light, traveling expenses, if they remain ten consecutive months, or one collegiate year.

The laboratories and museum are large, well equipped, comprehensive and modern. Military Science is fully provided for as required by Congress.

The graduates in the several courses of study readily find employment with liberal remuneration. The total number of matriculates for last year was 1078. Each department has a specialist at its head, with the necessary number of assistants.

Young women find an excellent home, with board and lodging, in Patterson Hall, which is well equipped with all the modern conveniences, bath-room, hall for physical culture, at \$3.00 per week. All courses of study in the University are open to women on identical conditions with those applying to males.

The completion of the Agricultural, Mining Engineering Laboratory and Education buildings afford ample and commodious quarters for these departments, which are rapidly increasing in the number of matriculates.
